### **Arrival Date: January 23, 2017**

NYU Tel Aviv staff will be waiting to welcome you in the Ben Gurion Airport Welcome Hall.

After you disembark the plane you will go through passport control, claim your luggage, and go through customs.

When you exit the luggage area and enter the Arrival/Welcome Hall go to the small "Kakao" cafe on your left where you will see NYU Tel Aviv staff.

Staff will be at the airport on January 23 between 8:00 am – 7:00 pm to welcome you, according to the flight information you provided, and will assist you in getting a taxi. If you arrive in Israel at any other time you should go to the taxi stand and proceed to the residence hall independently.

### **Getting from the Airport to the Residence Hall**

The easiest way to travel to your residence is via taxi. The taxi fare should be about 160 shekels including the charge for luggage. Make sure you take a taxi from the taxi stand which is situated on the left as you walk out of the airport. Do not take a taxi from anyone who offers you a taxi ride inside the airport, because they will probably overcharge you. Ask the taxi driver to take you to **36 Bnei Dan Street, Tel Aviv.**

### **Should the driver ask to see the address written in Hebrew:**

**רחוב: בני דן 36, תל אביב**  
**6226016 ישראל**  
**טלפון מדריכים: 052-321-5281**

Remember, the airline is your best source of assistance. Due to privacy regulations, the airline will give neither NYU Tel Aviv staff nor your family information regarding your flights or baggage, so you should speak with the airline directly.

### **What to do if you can't find NYUTA staff at the airport on January 23?**

BGU airport offers free Wi-Fi in the terminal, we suggest you download an application called 'WhatsApp'. Using this application you can contact the following number: 972-52-3215281 through text or call without a fee, so long as you have a connection to the internet. Alternatively, you can proceed directly to the taxi stand as you are not required to check-in with an NYU representative at the airport.

### **Orientation**

There will be an overview of the orientation schedule and an informal welcome dinner on January 23, during which you will meet your fellow students and your RAs for food on your first evening in Tel Aviv. Orientation will start on Tuesday, January 24. You will receive a more detailed schedule upon check-in.

### **Luggage**

If you have missing luggage, complete the paperwork process **before** you exit the terminal. Keep a copy of this paperwork and bring it with you to check-in. NYU Tel Aviv will assist you with tracking. You should put the **address of NYU Tel Aviv** and the **Academic Center phone number** listed on this sheet as the contact.

### **Immigration Support Letters**

**NYU Tel Aviv's Immigration Support Letters (both the airline and border letters) were sent out to you. Please review both documents carefully to ensure that the name and passport number are correct. If you do not have access to these letters or requires changes to be made, please let us know as soon as possible. You must print out these letters and take them with you to Israel in your carry-on luggage.**

Have a great flight and we look forward to seeing you in Tel Aviv!
